64	CE-352	64.000	1625.6	5.91	150	Black	4

Excellent protection against damage caused during transit. Eliminates debris from entering pipe. CE-309 through CE-327 are designed with an NPT taper and the CE-328 through CE-352 are straight-walled caps. Both are designed for easy installation and removal.

Specifications

- **Material:** Low-Density Polyethylene
- **Colour:** Coded
IMC colours also available.

Note: Many non-standard straight-walled pipe caps are available. Consult Caps'n Plugs for size and availability.
