

bolt-hole flange protectors *FC SERIES*

Widely viewed as the industry standard for flange protection, this flange protector requires no fasteners. Simply insert into the flange bolt holes. Designed to fit instantly. Weather and petroleum resistant.

Specifications

- Material: Low-Density Polyethylene
- Colour: Blue – 150 lb. series
Black – 300 lb. series

Meets ANSI 16.5B and API specifications.

Suitable for use on ASA and BS 1560 flanges.

Nominal Pipe Size (inches)	Used On 125 & 150 Lb.	
	Part Number	Box Quantity
1/2	FC-150-1/2	800
3/4	FC-150-3/4	800
1	FC-150-1	600
1-1/2	FC-150-1 1/2	400
2	FC-150-2	200
3	FC-150-3	100
4	FC-150-4	100
6	FC-150-6	90
8	FC-150-8	100
10	FC-150-10	60
12	FC-150-12	40

Nominal Pipe Size (inches)	Used On 300, 400 & 600 Lb.	
	Part Number	Box Quantity
1/2	FC-300-1/2	600
3/4	FC-300-3/4	800
1	FC-300-1	400
1-1/2	FC-300-1 1/2	250
2	FC-300-2	150
3	FC-300-3	100
4	FC-300-4*	80
6	FC-300-6*	100
8	FC-300-8*	100
10	FC-300-10*	60
12	FC-300-12*	30

* Will fit 300 lb. flanges only.
