

## side-tab pull plugs **ST SERIES**

This tapered plug features a side-tab design that extends above the flange making it easy to grasp and remove from a variety of threaded and non-threaded fittings. Great for use in hard-to-reach locations. Side tab will facilitate ease of removal.

**When used as a PLUG:** "B" dimension should be at least .020" more than diameter to be plugged. Larger diameters may require more interference.

### Specifications

- Material: Low-Density Polyethylene
- Colour: Orange
